

SPRING/SUMMER SOCCER 2021

ELIZABETHTOWN UNITED (BIRTHYEARS 2007, 2008, 2009)

Things To Know

- Practices will be OPTIONAL as we highly encourage all kids to do other sports in addition to soccer (even though we all know soccer is the best right?!?)
- Obviously make as many practices as you can, but do not sweat it if you cannot be there every time
- Do your best to attend all of the games
- Practices for both teams will be held at the same time and location each week. We want to keep all of the boys together as even though we have 2 different teams, we are still one big team overall. The actual drills will likely be kept separate by team, but that will vary based on attendance.
