## **What is The HyperNation?**

It is an epic fan club for our Boys & Girls Varsity High School Soccer Teams

## **What is the purpose?**

To create a positive, fun, high energy environment for our student athletes. We also want younger athletes to aspire to one day play in front of The HyperNation!

## **What should we wear?**

Please do your best to wear a **BLUE** shirt to the games!

## **How will we know when to cheer/chant?**

You are welcome to cheer for the Bears whenever you feel the urge! However, we will have a few folks that will lead the fans in the chants to help things stay coordinated.

## **What are the rules of the club?**

We must follow certain rules that are set by the PIAA and our District. The PIAA, District 3 and the LL League prohibit handheld signs/banners, artificial noise makers (whistles, bells, etc), noise amplifiers, handheld lasers, or any other device that could be used to disrupt or distract student athletes. The PIAA sportsmanship code says that all cheers/chants should be supportive and respectful and in no way directed at the opponent.
